Randolph Building, Mail Stop Amendment

Alexandria, VA 22314

Sir:

The Examiner's action dated August 10, 2005, has been received, and its contents carefully noted.

The allowance of claims 36-81 is noted with appreciation.

In response to the provisional rejections of claims 1-35 under the judicially created doctrine of double patenting, submitted herewith is a suitable terminal disclaimer to overcome those rejections. The required terminal disclaimer fee is also enclosed.

It is believed that this terminal disclaimer obviates all of the remaining rejections and it is therefore

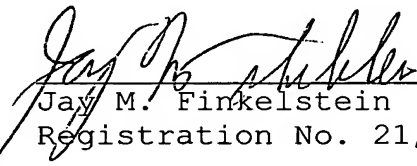

Appln. No. 10/795,986
Amd. dated October 14, 2005
Reply to Office Action of August 10, 2005

requested that the double patenting rejections be withdrawn
and that the Application be allowed.

If the above amendment should not now place the
application in condition for allowance, the Examiner is
invited to call undersigned counsel to resolve any remaining
issues.

Respectfully submitted,
